

Update to 2025 Health Risk Assessment Program

Attention Valued Partner,

To support quality improvement, retention, and effectuation initiatives and after a fair market value evaluation, Wellcare will change its administrative payment for D-SNP and C-SNP Health Risk Assessments (HRAs) for effectuated applications.

The administrative payment amount will change to \$50 for D-SNP and C-SNP HRAs completed in Ascend, Sunfire or an HRA platform developed within your agency, if applicable, on all Plan Year 2025 (PY2025) applications submitted beginning Oct. 1, 2024.*

Key Highlights

- A \$50 payment is available for 1099 broker and Teledigital partners on Special Needs Plans (D-SNPs and C-SNPs) HRA completions for PY2025.
- Non-SNP HRA completions will not be eligible for payment.
- HRAs may be completed up to 90 days after the application submission date.
- Payment for applications submitted for 2024 effective dates will remain the same.

If you have additional questions about this change, please contact your local Sales Leader.

Thank you for your continued support.
