

## Your Insurance Business = Debt-Free Capital

**Access Capital Group** helps agents like you tap into the value of your insurance business — no loan required. We offer the opportunity to convert your renewal commissions into capital so you can be ready for any challenge or opportunity that comes along.

### Choose from two options:

- Ongoing Agent Purchases – use your capital to grow your business or meet expenses, while keeping your clients
- Retiring Agent Buy-Outs – transition your client list so you can leave the business with capital for your next venture

#### Unlock the value of your future renewals now

Rather than waiting years, access the value of your future renewals today in a lump-sum payment.

#### It's debt-free capital

The capital provided is not a loan, so there are never any principal or interest payments due.

#### 100% confidential

Any data provided is 100% confidential and is bound by a Confidentiality Agreement.
